

Doggie Visitor Information

The two rooms we have as dog friendly ones are on the ground floor.

There are lots of footpaths and nice walks right from the door of the pub and also Worcestershire Country Park just a couple of miles down the road, and the Malvern Hills just 20 minute drive away.

Please respect our home and other visitor's rights by bagging any doggy waste and place it in the bins provided
Dogs are not to be left alone in the guest bedrooms as this could be both stressful for dogs and hotel owners alike

All kinds of dogs and all sorts of owners stay with us but for each and everyone we ask for a few little housekeeping points
Dogs are welcome in part of the bar area, and pub garden but not allowed on beds, furniture or in some of the dining areas

They do stay free of charge and are expected to bring their own bedding, food/water bowls and doggie towels to wipe muddy paws and wet dogs

As we do not charge it would be nice if dog owners donated £ 5.00 to our local animal sanctuary collection

Dogs who like to be heard when abandoned by their owners in search of breakfast or dinner would perhaps be "happier" left to relax in the familiar surroundings of their own car rather than a strange room "Don't forget on a really hot day (But we don't get many of them anyway you can always have dinner outside)

Dogs requiring late night or early morning walkies are asked to try and keep noise levels to a minimum

Dogs whose personality is so big that it occasionally involves being a bit too boisterous
Will have to get their pocket money out and pay for the damage caused

Anything to help keep everyone relaxed and able to enjoy their break.....THANK YOU
